

Accelerate Program Agreement
between
LH2 Holdings Inc.
and
Inquisitr Ltd

This Accelerate Program Agreement (the “Agreement”) is entered into as of 6th January, 2025 (the “Effective Date”) by and between LH2 Holdings Inc., a Delaware corporation with its principal office at 16192 Coastal Highway, Lewes, Delaware, 19958 (“LH2 Holdings”), and the entity identified in Schedule I (the “Partner” and together with LH2 Holdings, the “parties,” and each a “party”).

This Agreement sets forth the terms under which LH2 Holdings will provide services to enhance and accelerate the Partner’s monetization efforts across its digital platform(s), as detailed in Schedule II. LH2 Holdings will assist the Partner in increasing revenue through advertising, affiliate programs, subscriptions, digital products, and other monetization methods (collectively referred to as “Monetization Channels”) and further described in the Scope of Work (as defined below).

The parties agree that LH2 Holdings' support shall be compensated through a profit-sharing model, along with an exit share mechanism, each as detailed in Schedule III. All services rendered under this Agreement shall remain subject to these commercial terms and conditioned upon the Partner’s compliance with its obligations herein.

This Agreement constitutes a legally binding contract between the parties and shall be enforceable in accordance with its terms in any court of competent jurisdiction, including but not limited to the State of Delaware and any arbitral forum selected pursuant to Section 10.

1. Parties.

- a. LH2 Holdings Inc., a Delaware corporation with its principal office at 16192 Coastal Highway, Lewes, Delaware, 19958 (“LH2 Holdings”); and
- b. The Partner, as identified in Schedule I, including any of its affiliates, subsidiaries, or related entities (collectively, the “Partner”).

2. Partner Appointment and Role. The Partner hereby appoints and authorizes LH2 Holdings as its sole and exclusive agent and representative in connection with the Scope of Work, unless otherwise agreed in writing between the parties. The Partner acknowledges that such appointment is a material inducement for LH2 Holdings to enter into this Agreement.

3. Scope of Work. LH2 Holdings shall perform the following services for the Partner during the Term of this Agreement (the “Scope of Work”), each in furtherance of the Partner’s monetization growth and subject to the Partner’s cooperation obligations under this Agreement:

- a. **Traffic and Revenue Growth Support.** LH2 Holdings shall collaborate with the Partner to increase organic and direct traffic to the Partner’s digital platform(s) identified in Schedule II (the “Platform”) and optimize monetization through methods including but not limited to:
 - i. Search Engine Optimization (“SEO”);
 - ii. Google Discover and Google News optimization;
 - iii. Content strategy and editorial guidance;
 - iv. Website technology improvements; and
 - v. Data analytics and audience development.
- b. **Additional Monetization and Platform Support.** As part of the Scope of Work and subject to the terms of this Agreement, LH2 Holdings shall provide, or cause to be

provided, strategic and operational support across multiple monetization and growth initiatives, which may include, without limitation:

- i. Newsletter growth and monetization;
- ii. Affiliate marketing optimization;
- iii. Digital product development and sales;
- iv. Social media audience building and traffic acquisition;
- v. Direct advertising support (including sourcing and closing brand partnerships);
- vi. Platform UX/UI improvements; and
- vii. Content syndication and distribution partnerships.

Any additional services provided under this subsection shall be documented in writing or reflected through mutually agreed implementation plans.

- c. **Representation and Monetization Management.** LH2 Holdings shall act as the exclusive representative of the Partner before all Monetization Channels, including but not limited to ad networks, direct advertising platforms, native advertising providers, affiliate networks, and subscription-based services. LH2 Holdings shall be responsible for managing communications, negotiations, and ongoing relationships with these channels on behalf of the Partner. The Partner shall refrain from interfacing directly with such Monetization Channels unless otherwise agreed in writing by LH2 Holdings. The services outlined above shall be provided with the mutual intent of increasing the Partner's monetization outcomes, and any profits generated through these efforts shall be subject to the terms of the Profit Sharing Model described in Schedule III. For clarity, LH2 Holdings shall have no obligation to provide services outside the Scope of Work unless expressly agreed in writing by the parties.

4. **Consideration in connection with the Scope of Work.**

- a. As consideration for the services provided under this Agreement, the Partner agrees to share profits with LH2 Holdings in accordance with the Profit Sharing Model detailed in Schedule III (the "Profit Sharing Model").
- b. LH2 Holdings shall be responsible for the collection of all revenues generated through the Monetization Channels and other sources falling within the Scope of Work. LH2 Holdings shall remit the Partner's share of such profit, after deducting its agreed-upon profit share and any approved third-party expenses, no later than three (3) business days following actual receipt of funds and issuance of the applicable profit report.
- c. In cases where the Partner directly receives revenue from sources connected to the Scope of Work or from Monetization Channels introduced or managed by LH2 Holdings, such profit shall be subject to the same profit sharing obligations and reporting requirements outlined in this Agreement as if received by LH2 Holdings. The Partner shall remit LH2 Holdings' applicable share within three (3) business days of its receipt of such revenue after Net Profit has been calculated in accordance with Schedule III.

5. **Partner's Covenants.** The Partner agrees to undertake the following obligations during the Term of this Agreement:

- a. **Information and Cooperation.** The Partner shall provide, in a timely manner, all information, documentation, approvals, promotional and marketing materials, and other cooperation reasonably requested by LH2 Holdings to enable execution of the Scope of Work and facilitate engagement with Monetization Channels. Any failure to provide such cooperation may result in delays or underperformance for which LH2 Holdings shall bear no liability.

- b. Legal Compliance and Collaboration. The Partner shall comply with all applicable laws and regulations and shall cooperate with LH2 Holdings in good faith to support the implementation of agreed-upon strategies and initiatives under this Agreement. The Partner shall promptly notify LH2 Holdings of any legal or regulatory issue that could affect monetization efforts or the Partner's ability to perform its obligations.
- c. Platform Operations and Infrastructure. The Partner shall be solely responsible, at its own expense, for procuring, maintaining, and operating all necessary hardware, software, hosting services, analytics platforms, and other infrastructure required to (a) operate the Platform, (b) enable the delivery and tracking of advertisements and monetized content, and (c) ensure access to services from Monetization Channels without obstruction. LH2 Holdings shall not be responsible for delays, revenue impact, or performance issues resulting from infrastructure deficiencies or outages.
- d. Third-Party Access. The Partner shall not take any action that obstructs or restricts LH2 Holdings or any Monetization Channel from effectively delivering services or tracking performance under this Agreement. The Partner shall ensure that LH2 Holdings maintains all necessary administrative, financial, reporting, and technical access required to perform the Scope of Work.
- e. Publicity and Marketing Cooperation.
 - i. The Partner grants LH2 Holdings a non-exclusive, royalty-free, worldwide license to use the Partner's name, logo, and quantifiable performance outcomes attributable to the Scope of Work for marketing, public relations, investor updates, and promotional purposes.
 - ii. For each website onboarded under this Agreement, the Partner grants LH2 Holdings the right to display an LH2 Holdings-branded designation (including but not limited to a visible sticker, badge, or footer note stating that the site is an "LH2 Holdings Website") in a mutually agreed location on the website (such agreement not to be unreasonably withheld or delayed).
 - iii. The Partner shall provide reasonable cooperation for such efforts, including but not limited to:
 - 1. Participating in written or recorded testimonials;
 - 2. Approving case studies; and
 - 3. Validating publicly shared performance metrics.
- f. LH2 Holdings shall not publish confidential or sensitive information without the Partner's prior written approval. The Partner may request edits or removal of any public materials that are inaccurate or misleading, and LH2 Holdings shall make commercially reasonable efforts to implement such edits in a timely manner.

6. Term and Termination.

- a. Term. This Agreement shall commence on the Effective Date and remain in full force and effect unless terminated in accordance with the provisions herein (the "Term"). For clarity, the Term shall continue on a month-to-month basis unless earlier terminated pursuant to this Section.
- b. Termination by Either Party. Either party may terminate this Agreement by providing at least sixty (60) days' prior written notice to the other party (a "Termination Notice"). Such termination shall not relieve either party of any payment or performance obligations that accrued prior to the effective date of termination.
- c. Post-Termination Restrictions. If the Agreement is terminated by the Partner, the Partner agrees that for a period of two (2) years following such termination, it shall not, directly or indirectly:
 - i. Engage with, contract with, or otherwise collaborate with any Monetization Channels, including ad networks, affiliate platforms, newsletter tools, direct sales partners, or digital product distributors that were introduced, facilitated, or actively managed by LH2 Holdings during the Term, except for channels with which the Partner had an active relationship prior to the Effective Date

and which are documented on Schedule II or otherwise agreed in writing by LH2 Holdings.

- ii. Enter into direct arrangements with any brands, advertisers, or direct sales clients introduced by LH2 Holdings or with whom LH2 Holdings facilitated any communication, negotiation, or engagement during the Term.
- iii. Hire, solicit, or engage any authors, editors, contractors, consultants, or employees recommended, sourced, or previously employed by LH2 Holdings if such individuals were involved in or connected to the services rendered under this Agreement.
- iv. Use, replicate, or benefit from any proprietary tools, templates, software, processes, or systems developed or provided by LH2 Holdings under the Scope of Work or any derivative thereof.

The Partner acknowledges that these restrictions are reasonable and necessary to protect LH2 Holdings' legitimate business interests, including its proprietary methodologies, channel relationships, and investment in the Partner's monetization growth.

- d. **Early Termination.** In the event the Partner terminates this Agreement for any reason, the Partner shall pay LH2 Holdings a continuation payment equal to the average monthly Net Profit share actually received by LH2 Holdings during the nine (9) calendar months immediately preceding the effective date of termination (or, if the Term is shorter than nine (9) months, the average over the entire Term).

Such continuation payment shall be payable monthly, in arrears, for a period of nine (9) consecutive months following the effective date of termination.

The Parties agree that this continuation payment represents a genuine pre-estimate of damages, reflects the ongoing value of LH2 Holdings' operational, commercial, and monetization contributions, and shall constitute liquidated damages and not a penalty. Each monthly continuation payment shall be due within five (5) business days following the end of the applicable month.

- 7. **Key Assumptions.** The following will constitute key assumptions relating to the Agreement:
 - a. This Agreement shall not constitute a joint venture, partnership, franchise, fiduciary relationship, or agency (except as expressly set forth herein) between the parties. For avoidance of doubt, LH2 Holdings is an independent contractor and nothing herein shall be deemed to create an employment relationship between the Parties.
 - b. The intellectual property provided by either of the parties and/or an ad network in connection with the subject matter of this Agreement will remain the sole property of the party supplying such intellectual property and will be used by the recipient party in compliance with all applicable laws and only to perform the obligations set forth in this Agreement. No implied licenses are granted.

8. **Non-Competition and Non-Solicitation.** The Partner agrees to comply with the post-termination non-compete and non-solicit obligations set forth in Section 6 of this Agreement. These restrictions shall survive termination and remain enforceable for a period of two (2) years unless otherwise agreed in writing by the Parties. The Partner acknowledges that such restrictions are reasonable in scope, duration, and geography.

9. **Confidentiality.** Each Party agrees to keep confidential all non-public, proprietary, or confidential information of the other Party received in connection with this Agreement ("Confidential Information") and to use such Confidential Information solely for purposes of performing under this

Agreement. Confidential Information shall not include information that is publicly available, independently developed without use of Confidential Information, or rightfully received from a third party without restriction. These obligations shall survive termination of this Agreement for a period of three (3) years.

10. **Exclusivity.** During the Term of this Agreement, the Partner agrees to work exclusively with LH2 Holdings for all monetization efforts falling within the Scope of Work. The Partner shall not engage, appoint, or authorize any third party to perform similar services or pursue competing monetization initiatives without LH2 Holdings' prior written consent. Any breach of this Section shall constitute a material breach of the Agreement. This exclusivity is binding, non-transferable, and irrevocable for the duration of the Agreement unless otherwise agreed in writing by the parties. For avoidance of doubt, exclusivity applies across all Monetization Channels of Platforms covered by this Agreement.

11. **Governing Law and Dispute Resolution.** This Agreement shall be governed by, and construed in all respects in accordance with the laws of the State of Delaware, without regard to the conflicts of law provisions thereof, and shall be binding upon the Partner and LH2 Holdings and each of their respective heirs, estate, legal representatives, successors, and permitted assigns. Any disputes arising from or in connection with this Agreement shall be resolved through good faith negotiations between senior representatives of the parties and, if not resolved within thirty (30) days, through binding arbitration in the State of Delaware, under the rules of the American Arbitration Association, by a single arbitrator experienced in commercial and technology-based disputes. Notwithstanding the foregoing, either party may seek injunctive or equitable relief in the state or federal courts located in the State of Delaware to prevent or restrain a breach of this Agreement, including any breach of the exclusivity, non-compete, non-solicitation, or confidentiality provisions. The arbitrator shall have the authority to award all remedies available at law or in equity, and judgment on the award may be entered in any court of competent jurisdiction.

12. **Execution and Amendments.**

- a. This Agreement may be executed in any number of counterparts, all of which taken together shall constitute one and the same instrument. The parties may enter into this agreement by signing any such counterpart, including by electronic signature or PDF transmission, each of which shall be deemed an original.
- b. The parties may amend the terms of this Agreement only in writing by mutual agreement executed by duly authorized representatives of both parties.

13. **General.** This Agreement, including all Schedules and Exhibits attached hereto, constitutes the entire agreement between the parties with respect to the subject matter hereof and supersedes all prior and contemporaneous agreements, understandings, negotiations, and discussions, whether oral or written. No other covenants, representations, warranties, or promises shall be binding unless set forth in a written amendment signed by both parties. Each party acknowledges that it has not relied on any statement or representation not expressly set forth in this Agreement.

SCHEDULE III**PROFIT SHARING MODEL**

This Schedule sets forth the terms governing the profit sharing and exit-related compensation between LH2 Holdings and the Partner, as applicable to the services provided under this Agreement. The principles outlined herein apply to all monetization efforts falling within the Scope of Work, whether executed directly by LH2 Holdings or indirectly enabled through its involvement, including any monetization reasonably attributable to LH2 Holdings' services, strategies, introductions, or optimizations.

1. Key Clauses**(a) Net Profit.**

"Net Profit" means, with respect to each Platform and for each calendar month, the gross cash amounts actually received from monetization of such Platform ("Gross Receipts"), less only the following costs, to the extent directly attributable to such Platform and actually incurred:

- (a) third-party advertising, monetization, syndication, payment-processing, and platform fees;
- (b) content creation, contributor, editorial, and production costs approved in advance by the Parties;
- (c) hosting, CDN, infrastructure, and technology costs directly attributable to operation and monetization of the applicable Platform; and
- (d) any other platform-specific, out-of-pocket costs expressly approved in writing by both Parties.

For clarity, Net Profit shall exclude all Partner overhead, founder or management compensation, internal salaries, corporate or general administrative expenses, and any costs not directly attributable to monetization of the applicable Platform.

(b) Platforms.

For purposes of this Schedule III, "Platform" means the single digital property identified in Schedule II to this Agreement.

(c) Profit Sharing

Subject to the terms of this Agreement, Net Profit generated from the Platform shall be shared fifty percent (50%) to LH2 Holdings and fifty percent (50%) to the Partner. Net Profit shall be calculated in accordance with Section 1(b) of this Schedule III. LH2 Holdings shall remit the Partner's share of Net Profit within three (3) business days of LH2 Holdings' receipt of the applicable revenue, following completion of the relevant Net Profit calculations and issuance of the corresponding profit report, consistent with Section 4 of this Agreement.

(d) Exit Event.

1. **Definition of Exit Event.** An "Exit Event" shall mean any transaction resulting in a change in control, sale, or transfer of the Platform or the Partner's ownership interest in the Platform. This includes, but is not limited to:
 - A sale or transfer of all or substantially all assets related to the Platform;
 - A merger, acquisition, or consolidation;

- The formation of a joint venture, partnership, or strategic collaboration involving monetization of the Platform that materially reduces or replaces the Partner's ownership or economic interest;
 - A liquidation, dissolution, or winding up of the Partner's business;
 - Any transaction that materially changes the scope or commercial ownership of the Platform.
2. **Exit Payment to LH2 Holdings.** For each Platform, the Parties shall mutually agree upon a base valuation (the "Base Value"), as set forth in Section 1(e) or otherwise agreed in writing by the Parties. Upon the occurrence of an Exit Event with respect to a Platform:
- the Partner shall be entitled to receive one hundred percent (100%) of the Base Value; and
3. any Exit Consideration received in excess of the Base Value (the "Excess Exit Value") shall be shared fifty percent (50%) to LH2 Holdings and fifty percent (50%) to the Partner.

"Exit Consideration" shall include all cash, equity, earn-outs, contingent payments, assumption of liabilities, and other consideration received or receivable by the Partner in connection with the Exit Event, valued in good faith.

3. **Notice and Payment Timing.** The Partner shall provide LH2 Holdings with no less than forty-five (45) days' prior written notice of any intended Exit Event. LH2 Holdings' payment under this clause shall be due within thirty (30) days following the closing of the transaction or, with respect to contingent or deferred consideration, within thirty (30) days of receipt by the Partner.
4. **Illustrative Example.**
- Base Value for a Platform: USD 600,000
 - Exit Consideration: USD 1,500,000
 - Excess Exit Value: USD 900,000

Allocation:

- Partner receives: USD 600,000 (Base Value) + USD 450,000 = USD 1,050,000
 - LH2 Holdings receives: USD 450,000
5. **Clarification: Exit Share Applies in Addition to Profit Share.** LH2 Holdings' entitlement to its share of the Excess Exit Value is separate from and in addition to any profit share accrued but unpaid as of the closing of the applicable Exit Event.
6. **Tail Provision (Post-Term Protection).** In the event this Agreement is terminated by the Partner for any reason, LH2 Holdings shall retain the right to receive Exit Event compensation under this Section if an Exit Event occurs within twelve (12) months of the termination date. This provision shall survive termination of the Agreement. Any Exit Event compensation under this provision shall be calculated on a Platform-by-Platform basis.
7. **Right of First Refusal on Exit**
- In the event that the Partner receives a bona fide written offer from a third party to consummate an Exit Event with respect to any Platform (the "Proposed Exit"), the Partner shall first offer LH2 Holdings the right to participate in or consummate such Proposed Exit on substantially the same economic and commercial terms.
- The Partner shall provide LH2 Holdings with written notice of the Proposed Exit, including all material terms and conditions thereof (the "ROFR Notice"). LH2 Holdings shall have a

period of seven (7) days from receipt of the ROFR Notice to elect, in writing, to exercise its right of first refusal. If LH2 Holdings elects to exercise the ROFR, the Parties shall proceed in good faith to consummate the Proposed Exit on terms no less favorable to LH2 Holdings than those set forth in the ROFR Notice.

If LH2 Holdings does not elect to exercise the ROFR within such seven (7) day period, the Partner may proceed with the Proposed Exit to the third party, provided that such transaction is consummated on terms no more favorable to the third party than those disclosed in the ROFR Notice. Any material modification to the terms of the Proposed Exit shall require the Partner to re-offer such opportunity to LH2 Holdings pursuant to this Section.

This Right of First Refusal shall survive termination of this Agreement and shall remain in effect for any Exit Event occurring during the Term or within the applicable post-termination tail period set forth herein.

(e) Base Value by Platform.

The Base Value for each Platform, for purposes of Section 1(d), shall be as set forth below (or as otherwise agreed in writing by the Parties):

Platform	Base Value (USD)
Inquisitr	600,000
